Spotlight on These New Additions...

Great Books and Videos

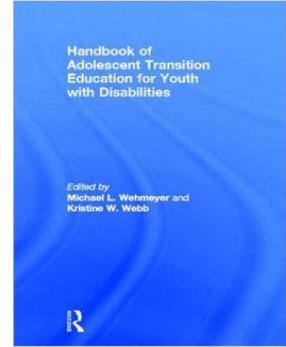

The Nature of School Bullying: A Cross-National Perspective (1999)

“provides a world-wide perspective on how different countries have conceptualized the issue of school bullying, what information has been gathered, and what interventions have been carried out Provides an resource for anyone interested in ways in which this problem is being tackled on a global scale. It will be invaluable for teachers, educational policy makers, researchers, and all those concerned with understanding school bullying and finding ways of dealing with it.”

Postsecondary Education for Students With Learning Disabilities: A Handbook for Practitioners (2001)

“New chapters add in depth information on transition planning from high school to college, determining eligibility for services & testing accommodations, policy development, accommodation”

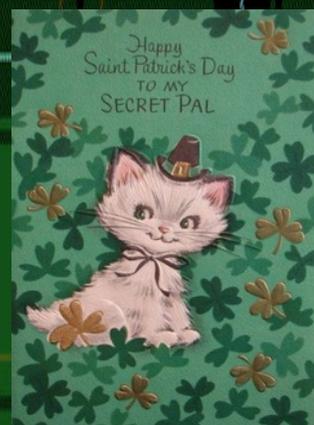

Handbook of Adolescent Transition Education for Youth with Disabilities (2012)

“Sponsored by the Division of Career Development and Transition (DCDT) of the Council of Exceptional Children, this handbook provides a comprehensive resource to the communities of educators, related service and agency personnel, families, caretakers, counselors, and other stakeholders who facilitate these complex transitions to adulthood for adolescents with disabilities.”

“Books are a uniquely portable magic”

LIBRARY TIP #116: LOWER YOUR EXPECTATIONS

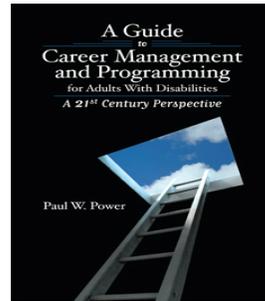

Spotlight on These New Additions...

Great Books and Videos

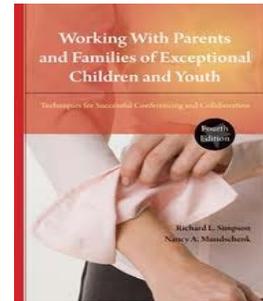

Practical Strategies for Teaching Social Emotional Skills (DVD)

"This 28-minute DVD highlights strategies and approaches that early childhood personnel and families can use to improve young children's social skills in a variety of areas. From the Center for Evidence-Based Practice: Young Children with Challenging Behavior (CEBP) and the Center on the Social and Emotional Foundations for Early Learning (CSEFEL)."

A Guide to Career Management and Programming for Adults With Disabilities: A 21st Century Perspective (2011)

"14 chapters of timely, comprehensive, cost-effective, theoretical and practical assistance. In one volume, all the intervention steps in Career Management, including the initial Career interview, Career assessment emphasizing self-assessment, obtaining and evaluating Career information, decision-making, development of Career action plans, and resume development or job interviewing."

Working With Parents and Families of Exceptional Children and Youth: Techniques for Successful Conferencing and Collaboration (2009)

"This text retains its focus on developing critical knowledge and skills for conferencing and collaborating that springs from a strength-based approach when working with families to develop responsive practitioners. It offers current evidence-based methods and related resources for building knowledge and skill sets needed for effective parent and family involvement."

"The only disability in life is a bad attitude"
~ Scott Hamilton

Youth Leadership Forum

Leadership Training for Students with Disabilities

Making Connections for Children with Special Healthcare Needs

—About the Library—

The library is a collaborative effort between BabyNet/South Carolina Department of Health and Environmental Control, the Center for Disability Resources, the South Carolina Department of Disabilities and Special Needs, and the University of South Carolina School of Medicine Library. The CDR Library consists of books, videos, brochures, and audiotapes covering a variety of disability-related topics. The Center for Disability Resources Library is located within the University of South Carolina School of Medicine Library on Garners Ferry Road.
