Spotlight on These New Additions...

Great Books and Videos

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”

- Dr. Seuss

The Early Intervention Teaming Handbook (2013)

— “Early childhood professionals: looking for an effective way to ensure coordinated, family-centered services for young children and families? Discover the why and how of the primary service provider (PSP) approach to teaming.”

The Early Intervention Workbook (2013)

— “Discover the 7 key principles and associated practices for effective early intervention services—and start putting them into action today! This easy-to-use, fillable workbook reveals not only *what* every EI professional should be doing in their practice, but also *how* to do it, with practical tips, activities, and strategies they can use to improve their work with children and families right away.”

The PRT Pocket Guide (2012)

— What is Pivotal Response Treatment? What's the research behind it, what does it look like in practice, and what are some good examples of how to use it? Now one concise book gives professionals and parents all the basics of the widely used PRT... A great resource for educators, behavior specialists, early interventionists, SLPs, occupational therapists, and families, this reader-friendly pocket guide is the perfect introduction to PRT,”

Great Books and Videos

“Words can be like X-rays if you use them properly -- they’ll go through anything. You read and you’re pierced.”

- Aldous Huxley

Spotlight on These New Additions...

The Story of Intellectual Disability (2013)

— “This volume skillfully captures how intellectual disability has been understood from prehistoric times to present. Readers will discover how different societies have responded to people with disability throughout history, how life has changed for people with intellectual disability and their families over the centuries, and how key historical figures and events sparked social change and shaped our modern understanding.”

Teaching Children with Down Syndrome about Their Bodies, Boundaries, and Sexuality (2007)

— “Drawing on her unique background as both a sexual educator *and* mother of a child with Down syndrome, the author blends factual information and practical ideas for teaching children with Down syndrome about their bodies, puberty, and sexuality.”

Top Tips for Asperger Students (2011)

— “Moving to college or university can be a daunting experience... Martin provides guidelines and invaluable advice for every student on the Autism Spectrum as he or she thinks about, and plans for, entry into student life... This book focuses on the particular needs of people with AS - from how to get up on time for lectures, to the art of living with other people and attending to the basics of personal hygiene...”

What You Need To Know About

Parenting with a Disability

Able South Carolina proudly presents the "You Need to Know" video series. The first series being released is: *Parenting with a Disability*, where viewers can learn about the rights of parents with disabilities and hear stories from parents with disabilities.

—About the Library—

The library is a collaborative effort between BabyNet/SC First Steps to School Readiness, the Center for Disability Resources, the South Carolina Department of Disabilities and Special Needs, and the University of South Carolina School of Medicine Library. The CDR Library consists of books, videos, brochures, and audiotapes covering a variety of disability-related topics. The Center for Disability Resources Library is located within the University of South Carolina School of Medicine Library on Garners Ferry Road.
