

"Hi, my name is Kelly.

*I work for the Center for
Disability Resources Library.
If you need any help with
medical information, email or
call us..."*

Kelly Doyle
Library Assistant

Location

The CDR Library is located within the USC School of Medicine Library, Building 101. The School of Medicine campus is at 6311 Garners Ferry Road. Directions to the library and a campus map are available on the library's Web site. You may also call 803-216-3200 for more detailed instructions.

Are you...

a professional looking for **training materials**?

a teacher interested in **transition information**?

a family member who wants more information about a **developmental disability**?

anyone interested in locating reliable **health information** on the web?

Information Services

The library consists of books, DVDs, audiotapes, and electronic resources covering a variety of disability-related topics. Anyone in the United States may now check out items or request electronic information. Reference librarians are available Monday-Friday. Requests are accepted by mail, by email to steve.wilson@uscmed.sc.edu, by telephone to 803-216-3206, or on a walk-in basis.

Materials may be borrowed for a month and can be mailed to your home or office. Postage-paid return mailers are available for materials sent to South Carolina families and professionals. Residents of states other than South Carolina may check out one item at a time.

About the Library

The Center for Disability Resources Library is a collaborative effort between BabyNet, the Center for Disability Resources, the South Carolina Department of Disabilities and Special Needs, and the University of South Carolina School of Medicine Library.
