Disability Information
Serving Families and
Professionals*

About the Library

The Center for Disability Resources Library is a collaborative effort between BabyNet/First Steps, the South Carolina Department of Health and Environmental Control, the Center for Disability Resources, the South Carolina Department of Disabilities and Special Needs, and the University of South Carolina School of Medicine Library. The Center for Disability Resources Library consists of books, videos, audiotapes, and brochures covering a variety of disability related topics.

Information Services

We are now happy to offer our materials nationwide! Anyone in the fifty states may now check out items. Reference librarians are available from 8:00 am to 5:00 pm, Monday - Friday. Requests are accepted by mail, by email to steve.wilson@uscmed.sc.edu, by telephone to (803) 216-3206, or on a walk-in basis. Books may be borrowed for a month. Videos may be borrowed for two weeks. Materials can be mailed to your home or office. Postage-paid return mailers are available for materials sent to South Carolina families. And all South Carolina residents may continue borrowing multiple items at one time. Residents of states other than South Carolina may check out one item at a time, and are responsible for return postage.

Library Materials

You can search for items in SCarlit, the online catalog for the School of Medicine Library. It is accessible from the library's Web page. The Center for Disability Resources Library collection is divided into the following sections:

Disabilities-PROF = Professional level information
Disabilities-FAM = Information for families
Disabilities-TRAN = Transition Information
Disabilities-AV = Videotapes and audiotapes

Location

The CDR Library is located within the USC School of Medicine Library, Building 101. The School of Medicine campus is at 6311 Garners Ferry Road. Directions to the library and a campus map are available on the library's Web site. You may also call 803-216-3200 for more detailed instructions.
