

How to Determine Which Courses or Lessons are Complete in TECSBOOK?

Log into TECSBOOK (<http://tecsbook.med.sc.edu>)

1. Click on "Dashboard"

The screenshot shows the 'my Courses' dashboard. The 'Tools' sidebar on the right contains several icons: 'Dashboard' (circled in red), 'Group/Lesson key', 'Course catalog', and 'Reports'.

2. Click on the "Learning" tab.

The screenshot shows the user's dashboard with the 'Learning' tab selected and circled in red. The dashboard includes a 'Personal info' section with a navigation bar (Dashboard, Account, Learning, Role, Files) and a 'Tools' section with icons for 'my Courses', 'Group/Lesson key', 'Course catalog', 'Organization', 'Reports', and 'Forum'.

3. Click on "Courses" and/or "Lessons". Click on the  icon to expand the list of courses. If a course title has an underscore and then a number, this indicates the number of hours that the course is worth toward the Credential renewal. For example, "Act Early Autism Case Training Module 1: Identifying_2" is worth 2 hours.

The screenshot shows the 'Courses' tab selected. The 'Courses' section displays a table with the following data:

Name	Location	Parent category	Enabled	User type
 BabyNet Basics		BabyNet Basics		Student
 BabyNet Basics Update 2013	BNSO	BabyNet Basics Update 2013		Student
 BRIDGES 101		BRIDGES Training		Student
 BRIDGES 102: Service Providers		BRIDGES Training		Student

4. If a thumbs-up  icon is under the Completed column with a score, then the course or lesson is completed.

The screenshot shows the 'Courses' tab with a table displaying completion status. The 'Completed' column shows a thumbs-up icon and a score. The 'Lesson' section for 'BabyNet Basics Update 2013' is highlighted, and the 'Completed' status is circled in red.

Name	Location	Parent category	Enabled	User type	Completed	Score	Status
 BabyNet Basics		BabyNet Basics		Student		97.00%	
 BabyNet Basics Update 2013	BNSO	BabyNet Basics Update 2013		Student		95.00%	
Lesson					Completed	Score	
BabyNet Basics Update 2013						95.00%
