

Dear BabyNet family,

BabyNet would like to know how our services have helped you. This information will be used to improve services for the families of other children with special needs.

In this envelope is a handout telling you why BabyNet is asking for your feedback. There is also a survey for you to complete. All answers and other information about you will be kept private.

BabyNet is working with *Team for Early Childhood Solutions* to help with the survey. Once families send the survey back, BabyNet will make the results public every year.

Filling Out the Survey:

- **Paper:** To complete the survey by paper, use the form in this envelope. Please use only a blue or black pen. When you are finished, use the extra envelope to mail the survey back to us. You will not need any stamps.
- **Internet:** If you have Internet, you can fill out the survey that way. Go to our website at <http://uscm.med.sc.edu/tecs/index.htm> and follow the directions for the Family Survey.
- **Help:** If you need someone to help you fill out the form, call Leah Perry @ 803-935-5227 to arrange for help.

Thank you for taking time to fill out the Family Survey. Your answers will help make BabyNet services better.
