Enviro-health Links
Evaluated resources on toxicology and environmental health issues by the National Library of Medicine's Specialized Information Services.

Geriatric Web
http://geriatricweb.sc.edu/
A digital library of links to peer-reviewed geriatric resources to be used in the care of the older patient and in the education of health care professionals. GeriatricWeb is a collaboration between the University of South Carolina School of Medicine Library and the Geriatrics Division of Palmetto Health.

Google Web Directory - Health
http://directory.google.com/Top/Health/
Organizes sites into sub-categories and states the number of sites listed in each one. Also provides access to the powerful Google search engine to search just the "Health" grouping or to search the entire web. Scroll further down to see a list of health web directories that you can choose to view in either an alphabetical listing or in Google page rank order.

Hardin Meta-Directory of Internet Health Sources (Hardin MD)
http://www.lib.uiowa.edu/hardin/md/index.html
A well-organized and comprehensive list of life and health science sites maintained by the University of Iowa's Hardin Health Sciences Library.

Health and Human Services Data Resources Directory
http://aspe.os.dhhs.gov/datacncl/datadir/
Produced for policymakers, administrators, researchers, and the public as a reference document on data resources within Health and Human Services. A compilation of information about the major data collection systems sponsored by the U.S. Department of Health and Human Services.

OAIster
http://www.oaister.org
OAIster is a project of the University of Michigan Digital Library Production Service. Searchable database of over 5 million freely available records, including online full text, images, datasets, video clips, and audio files.

PubMed Central (PMC)
http://www.pubmedcentral.nih.gov/
PubMed Central (PMC) is the U.S. National Institutes of Health (NIH) free digital archive of biomedical and life sciences journal literature.

Scirus
http://www.scirus.com
Elsevier's science-specific search engine. Besides identifying scientific web sites, Scirus also includes results from MEDLINE, Science Direct, and PubMed Central.

Yahoo - Health
http://dir.yahoo.com/Health/
A commercialized web site, but boasts an excellent subject list of health related links. Included is the search capability that allows you to limit your search just to sites related to health.
